Terroir : Soils of limestone of the Agly valley and Granit of the Tet Valley (average 300m high).

Grape Varieties : 60% White Grenache
20% Maccabeu
20% Marsanne

Vinification : Manual harvest. Direct pressing. Clarification with cold temperature. The alcoholic fermentation takes place in stainless tanks thermoregulated at low temperature.

Ageing : A few months in full tanks before an early bottling.

NOTES :
