Contact : Nicolas RAFFY

Terroir : The sandstone calcoschists, blended with blue limestones, are sited on a fringe of red ferruginous clay, close to black schists

Grape Varieties : 80% Black Grenache
20% Syrah

Vinification : In stainless steel tank of 50 hl. Black Grenache and Syrah are vinified in the same vat. Daily pumping over, 24 days of maceration with alcoholic fermentation thermo regulated. Malolactic fermentation completed in early December

Ageing : Ageing in full concrete tank before an early bottling.

NOTES :
